

PF 02

Larger Wind Pop Mic Screen

PF 02 is designed to take plosive sounds out of recordings by redirecting the jets of air that certain sounds create when spoken, and comes with Double Layered mesh. The 360 Degree flexible gooseneck is for precise positioning and convenient for use. Adjustable clamp fixes securely to any mic stand. Universally compatible for use in broadcast studios, professional recording studios, live podcasts, homes, etc. Bring you a better experience.
