

MS15

Upgraded Mic Arm Stand

MS15 is a foldable and adjustable design Arm with extending, angle and tilting adjustment. It comes with full metal tube and super solid table mounting. It can be folded up and easy for you to carry around. This feature enables to adjust the suitable angle and height of the boom arm to show your perfect voice. The universal mounting clamp can support max table thickness 5-48mm and attaches to tables, desks, shelves, counters, and etc. With the pre-threaded cable slot(fits both XLR and USB), you can easily mount it w/out any other accessories.
